# Leveling guide maplestory ark

1.1: Updated guide to v211 1.03: Updated guide to version GMS v205, added maps for players beyond level 250, along with minor adjustments. Changed "Fury Totem" to "Wild Totem" where necessary. Dexless is run by the MapleStory community & ads help pay the server bill. Added Table of contents 1.11: Added maps to Morass and Esfera according to community feedback. Please consider registering or whitelisting us. Updated and added information about arcane river regions. Added Other Mu-Lung maps 1.01: Added Kerning Square and Omega Sector Maps + Starting level adjustments. Added maps in Orbis and Leafre. 1.0: Guide Published Loading... Added Sellas region 1.18: Guide updated to v217. Added Savage terminal training locations and reserved a space for the upcoming Reverse City region. 1.14: Guide Updated to v213. Thanks!
